Your sponsorship makes it possible!

For 25 years the Boys & Girls Clubs of Greater Sacramento has been a constant in the lives of children and families in our community. Even through the challenges of COVID-19, we remain committed to supporting our community's kids and families, and continue to make health, safety, and education a priority. And we are looking forward to reopening and to get Sacramento kids back on track to their Great Future. And maybe most importantly, at the Club, kids and teens will get to be kids again: playing with friends, spending time with mentors, discovering talents, and becoming who they are meant to be. Your sponsorship at Broke Ball makes this possible. You are here for us, so we can be there for them. Thank you!

Please return sponsorship package, payment, and logo to Virginia Isble or contact for questions.
